Copilot

(formerly Bing Chat Enterprise)

Protected AI-powered web chat at **Dr.Reddy's** 40 YEARS OF

Get to know Copilot
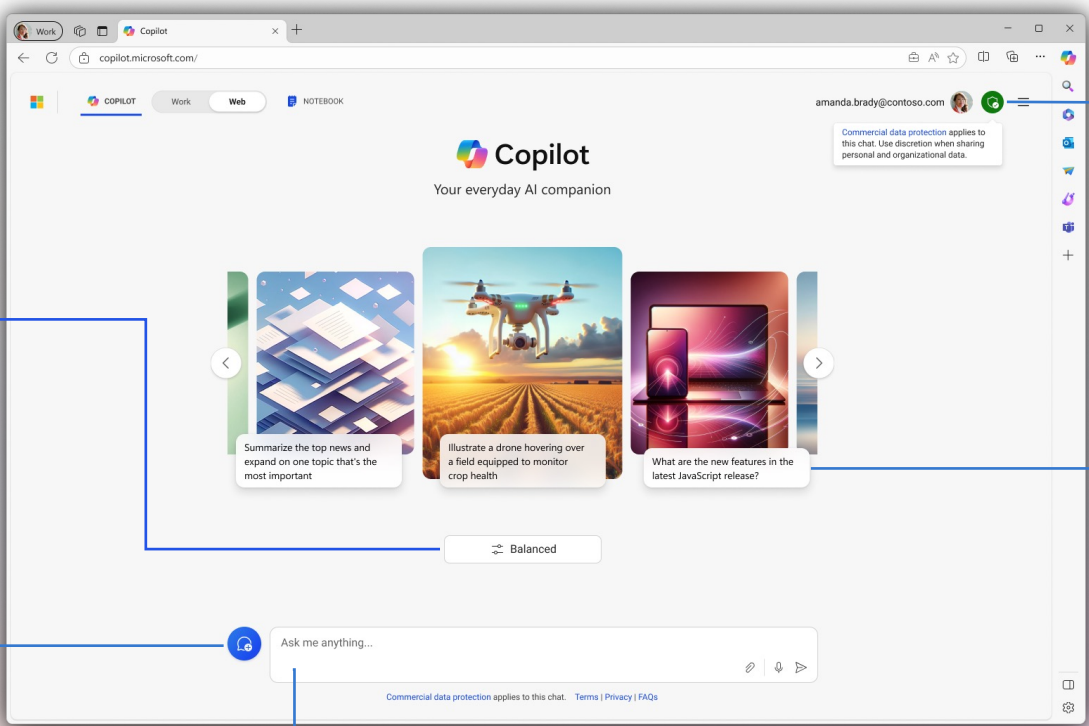

Start at **copilot.microsoft.com**

Here is a visual tour of Copilot:

Conversation styles
For the most comprehensive answers, use Creative style with the power of GPT-4.
For faster answers, try Balanced or Precise.

Start a new chat button
Clear your past chat and start a new conversation.

Text box
Enter your question (your "*prompt*") here.

Protected badge
Ensure you're signed in with your work account and confirm that you see 🛡. If the shield icon is missing, sign in with your work account.

Suggested prompts
If you're not sure what to ask, try or modify a sample prompt!

Get started with Copilot

Sign in with your work account

1. Navigate to **copilot.microsoft.com** on your preferred browser on your device. Copilot is compatible with Microsoft Edge and Chrome on desktop PCs.

2. Ensure you're signed in with your work account.

   You will know you are successfully signed in with your work account when you see 🛡 tag next to your credentials in the top right corner of your screen.
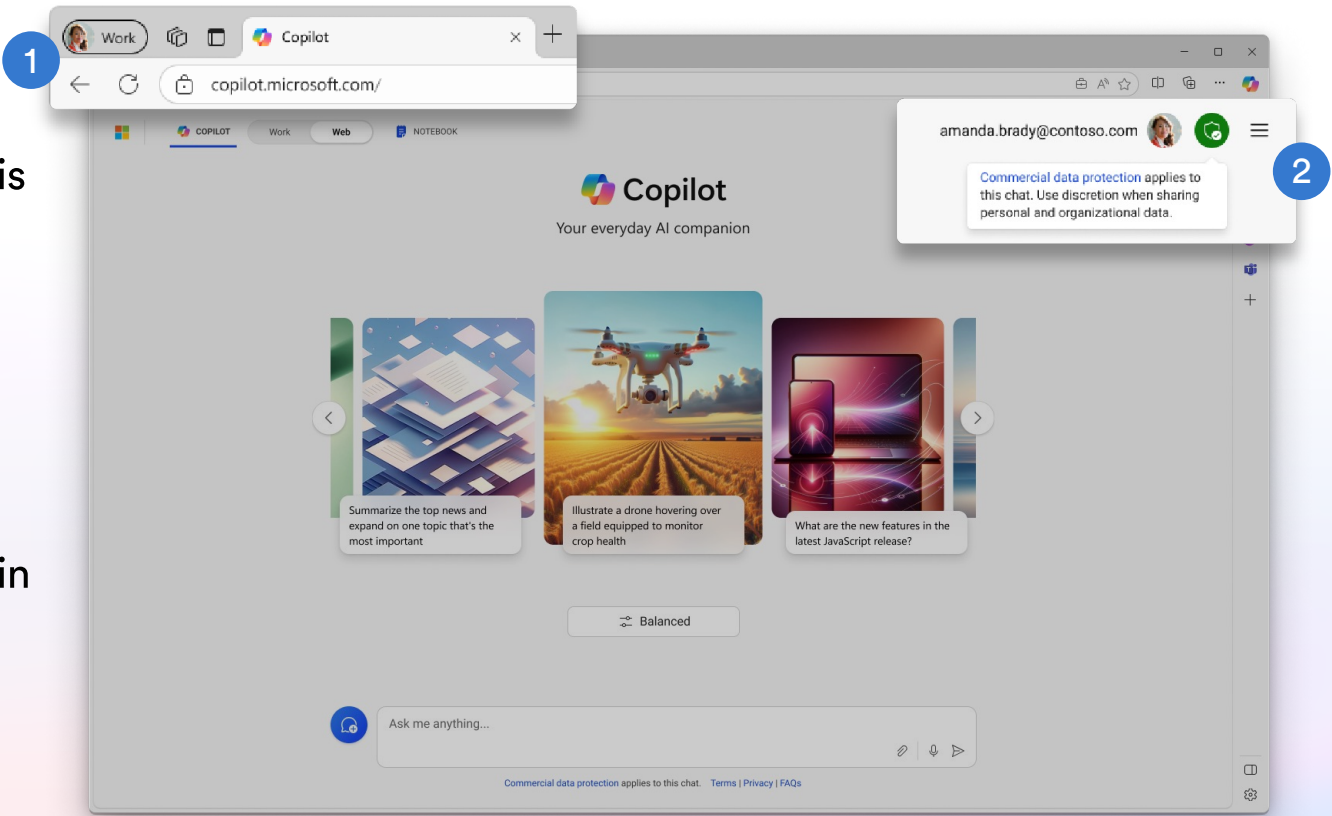

⚠️ If you are not signed in with your work account, your data is not protected while using AI chat.
